Re: Petition of XO Tennessee  
Dockets 03-00567 and 568

Dear Chairman Tate:

XO Tennessee has two pending petitions, a Petition to Approve an Interconnection Agreement with TDS (03-00568) and a Petition to Amend XO's CNN to include the TDS service area (03-00567). Both petitions, which were filed October 27, appear to be routine. I am informed by XO that, as soon as TRA approval can be obtained, XO is ready to initiate the procedures to begin serving customers in that area.

XO therefore respectfully asks that these two petitions be acted upon as expeditiously as possible, perhaps at the next agenda conference.

Thank-you in advance for any assistance you can provide.

Very truly yours,

BOULT, CUMMINGS, CONNERS & BERRY, PLC
